Lucknow | August 19, 2016

Chief Advisor to Chief Minister and Chairman of U.P. State Industrial Development Corporation (UPSIDC), Shri Alok Ranjan has said that industry friendly environment was being created by effective implementation of investment oriented policies in the state to facilitate entrepreneurs. He said that State government was striving to provide world-class infrastructure facilities to industries. He said that timelines would be specified for departmental proceedings for resolution of industrial issues on priority. In order to impart transparency to working of UPSIDC, he said that UPSIDC will be made completely online.

Shri Ranjan was expressing his views on the occasion of *Udyami Maha-sammelan* organised by Industrial United Development Foundation (IUDF) here at Scientific Convention Centre today. He said that district level single window system was being developed for localised resolution of issues of entrepreneurs. Lauding small entrepreneurs as the industrial brand ambassadors of the state, he said that better facilities would be provided to micro, small and medium enterprises, so that entrepreneurs from other states also invest in the state. He said that beautification and tree plantation will be carried out in parks in industrial areas in addition to infrastructure development.

On this occasion, Divisional Commissioner of Gorakhpur, Shri Anil Kumar along with President of IUDF, Shri Dev Bhattacharya, General Secretary, Shri Shailendra Srivastava and other members along with entrepreneurs.
